(2) The butterfly cleaned her tears on the face, "No." God felt a bit relieved and said, "Tomorrow you can become human again." On the top of the mountain, she seemed to enjoy the sunrise and the sunset happily with them.

● 对话收尾

(1) Chester said his father told him he had tried to search for him and his brother, but both brothers had changed their last names. “He does remember me and my older brother and he told me that he’s been looking for us ever since we lost contact, ” he said. Chester said his brother has since flown to Colombia to be reunited with Urrea as well. When asked how the reunion with his father will change his life, Chester said, “I got family everywhere, so it might lead to many more trips now.”

(2) What was most fascinating about the reunion is that Shavi also moves others. Nina’s family had moved to a bigger apartment. “I’ve heard amazing stories about dogs’ loyalty, but I never imagined this sort of thing would ever happen to me. Even now, I can hardly believe this dog traveled such a long distance to find us, ” said Nina, “I would never give this kind of friend away again. I never grow tired of repeating this—animals are the most devoted and loving creatures. They need our love and care.”

(3) Her husband spoke to the director of Heightvale, Dolores Haworth. Soon she offered him a job working for the company. She said, “He just had a brilliant working attitude and is definitely the type of employee we are looking for. I was told, ‘If he does this for free, imagine his jobs if he was being paid. ’ I met him and he was a lovely and polite young man and he has already started working for us.”

(4) ...They hung all the things back to the wall. Jack asked Paisley, “Are you really willing to lead a tough life with me? ” She patted away the ashes on hands and looked at the walls with loads of stuff on them satisfactorily, saying, “Yes! For me, it is not a suffering to live.”

● 主题升华

(1) Everyone has one person they look up to as a role model. To me there is none other than my mom. She has beauty, brains, and one of the best hearts I know. Without her in my life, I would have no idea whether I can be a famous dancer. Someday, when I am older and have children of my own, I hope I can be just as great a parent as my mom. (母爱的深远影响)

(2)I am extremely unhappy about it. I think money doesn't equal happiness. And free life style also doesn't equal happiness. The real happiness is that everyone loves each other, and does everything useful for our society. Most of my classmates support me. But some of them think money is everything. In my opinion, money can't take the place of everything, such as your life, your time and your happiness.(表达价值观)

(3) "Two reasons account for that you won," the teacher answered. "First, you've almost mastered one of the most difficult throws in all of judo. Second, the only known defense for that move is for your opponent to grab your left arm. It is your biggest weakness that makes you win the match. As a proverb says, 'Every coin has two sides.' Making full use of your strength is your achievement. Please remember that in no case will you give up especially in trouble. God is fair to everyone."(借用名言警句来升华主题)

● 结尾留白

(1) While she wrapped them, I took a deep breath and asked Joy, "Do you have dinner plans?" I explained that I'd like to wait a bit before I went back to the hospital – gave Grace and her husband some time alone with baby. "Would you be interested in joining me in a bite to eat?" I asked. "I'd love to," she replied, her eyes sparkling like diamonds. And, this was the beginning of the end to my months of heartbreak following Betsy's death. (故事结尾留白, 给予读者想象空间)

(2) The beggar hesitated for a moment, then he decided to open it. He declared aloud, "Who cares? He wanted me to have it anyway. I might as well enjoy it now."
